Re: Grant No. 3025

Dear Lester:

Thanks for your letter, and I look forward to seeing you at the Council offices on Wednesday, January 23 - say 10:30 a.m. - if that's convenient.

I have spoken with Dr. Glenn, our Scientific Director, and, hopefully, some of the staff will be here so do bring a few pertinent slides (35mm) in the event that you wish to give us a most informal talk - and formal education.

Regarding the UNESCO meeting which you are organizing, I'm afraid that we could only support it with a modest $500 and a bagfull of good wishes for a very successful enterprise, the reason being that with the heavy load of grant applications support for meetings must be reduced.

Looking forward to hearing from you. With good wishes for the holidays and the New Year,

Sincerely,

David
